Thank you to our Sponsors:

Hosted by the University Activities Board (UAB), the Arts & Crafts Shows are fundraisers for the programming budget of the organization. All crafter/artisan fees collected for both shows go towards offering free programming for the Spartan Community at MSU, which is planned, coordinated and executed by the undergraduate students of UAB. Programs include Craft Nights, Open Mic Nights, and Late Night Alternative Programming such as Bingo, UFest, Finals Relaxer and many similar events.
