

# MSUTRADEMARK LICENSES

## CRAFTER'S LICENSE (MSU TRADEMARK USE)

You are required to have a Crafter's Licenses **if you are selling any items that feature MSU trademarked symbols, logos, or icons** - even if you are repurposing previous licensed products (i.e. make a purse out of MSU fabric from Michael's).

- This licensing process is **managed by the MSU University Licensing Department**, not by the Art's and Craft's Shows team.
- We are **unable to assist** with licensing questions or applications.
- For more information, to verify if you need a license, or to apply, visit: [licensing.msu.edu/licensees/crafter](https://licensing.msu.edu/licensees/crafter)
- The University Licensing Department **will be on-site** during the show to verify licenses. Please provide proof if requested.
- Staff will request you remove trademarked products if you are operating without a license.
- The initial licensee process **takes time - start immediately**. Returning vendors should ensure they renewed their license.
